# Tip Top Adventures

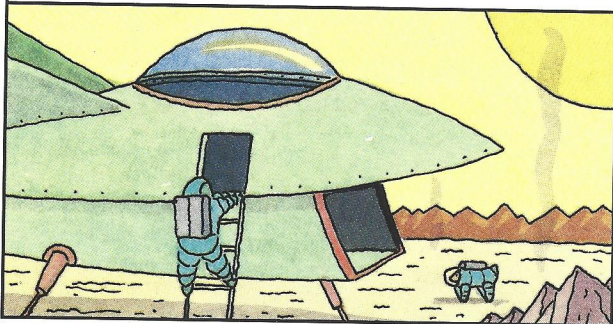

Tip and Top were exploring far, far out in space.

They landed on a hot, rocky planet.

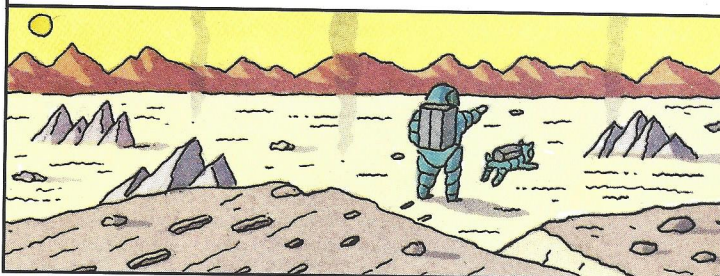

They climbed down a ladder.

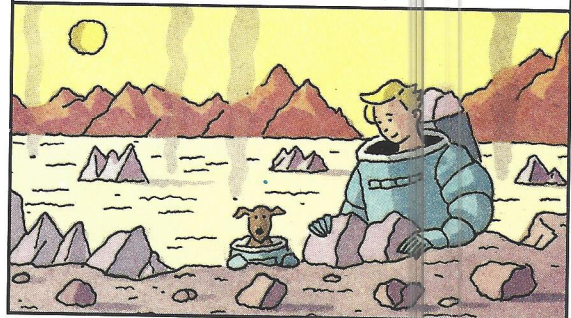

Tip tested the air.

They walked through deep, hot dust.

They collected some rocks.

Suddenly the rocks began to move. The dust flew up in their faces.

They reached their ship. They blasted off. They looked down. The planet exploded.

## Spring Rain

The storm came up so very quick.

It couldn't have been quicker.

I should have brought my hat along.

I should have brought my slicker.

My hair is wet, my feet are wet.

I couldn't be much wetter.

I fell into a river once.

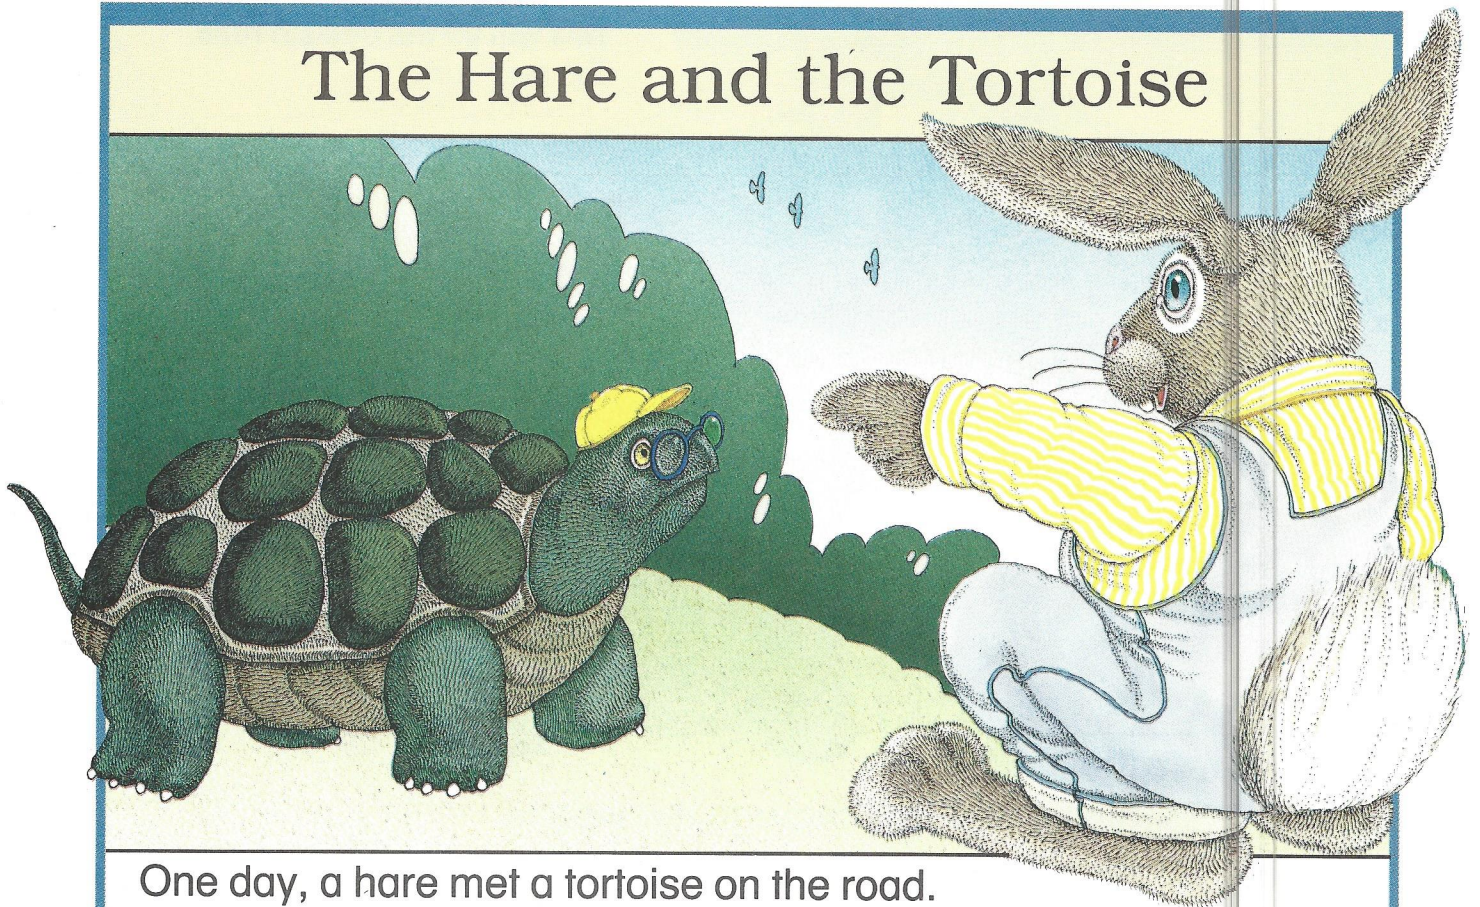

But this is even better.

# The Hare and the Tortoise

One day, a hare met a tortoise on the road.  
“You are so slow,” said the hare to the tortoise.  
“You must be the slowest animal in the world.”

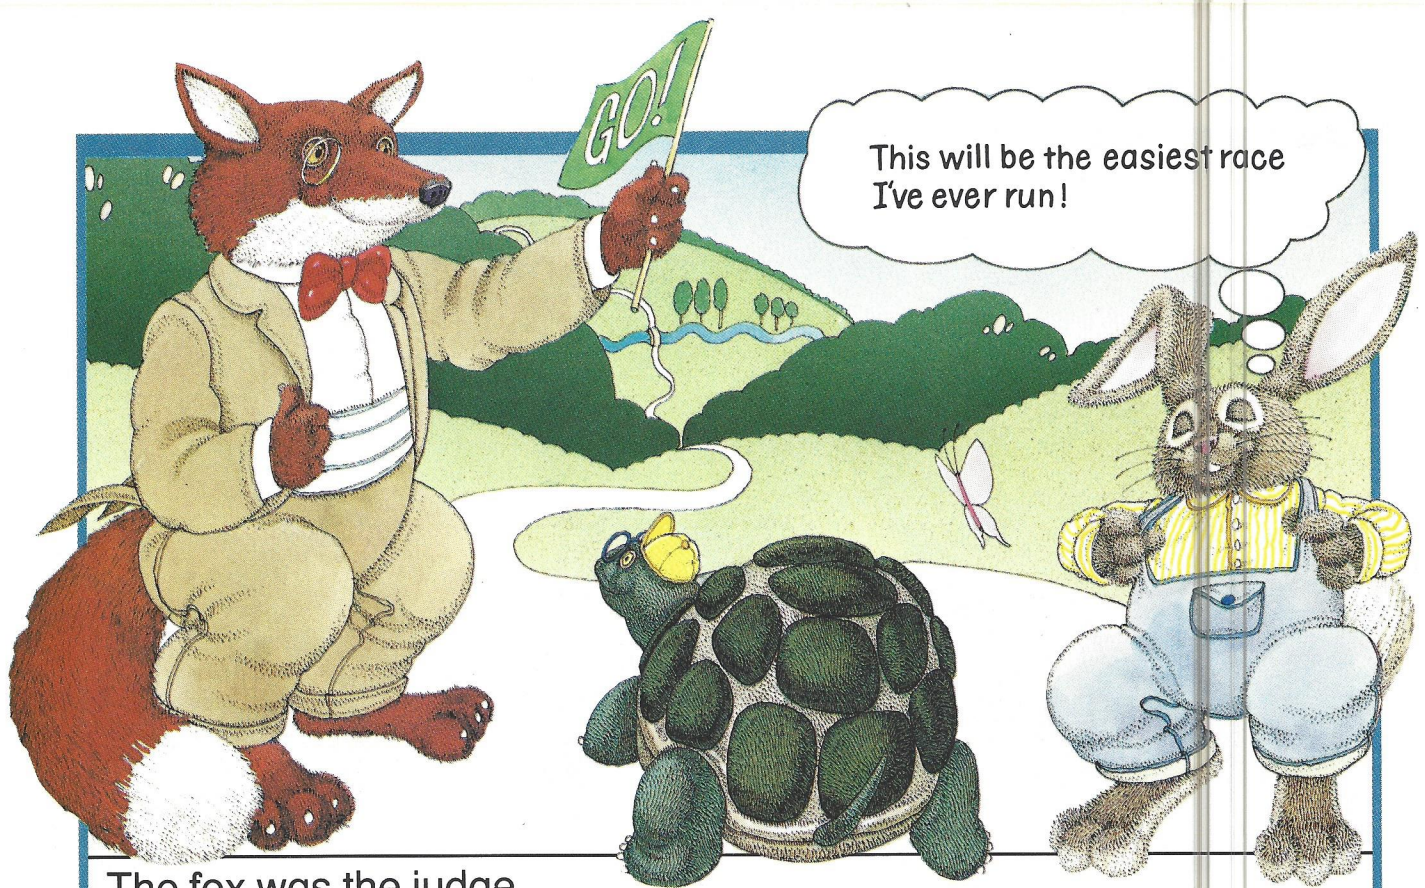

Ha, ha, ha, ha, ha!

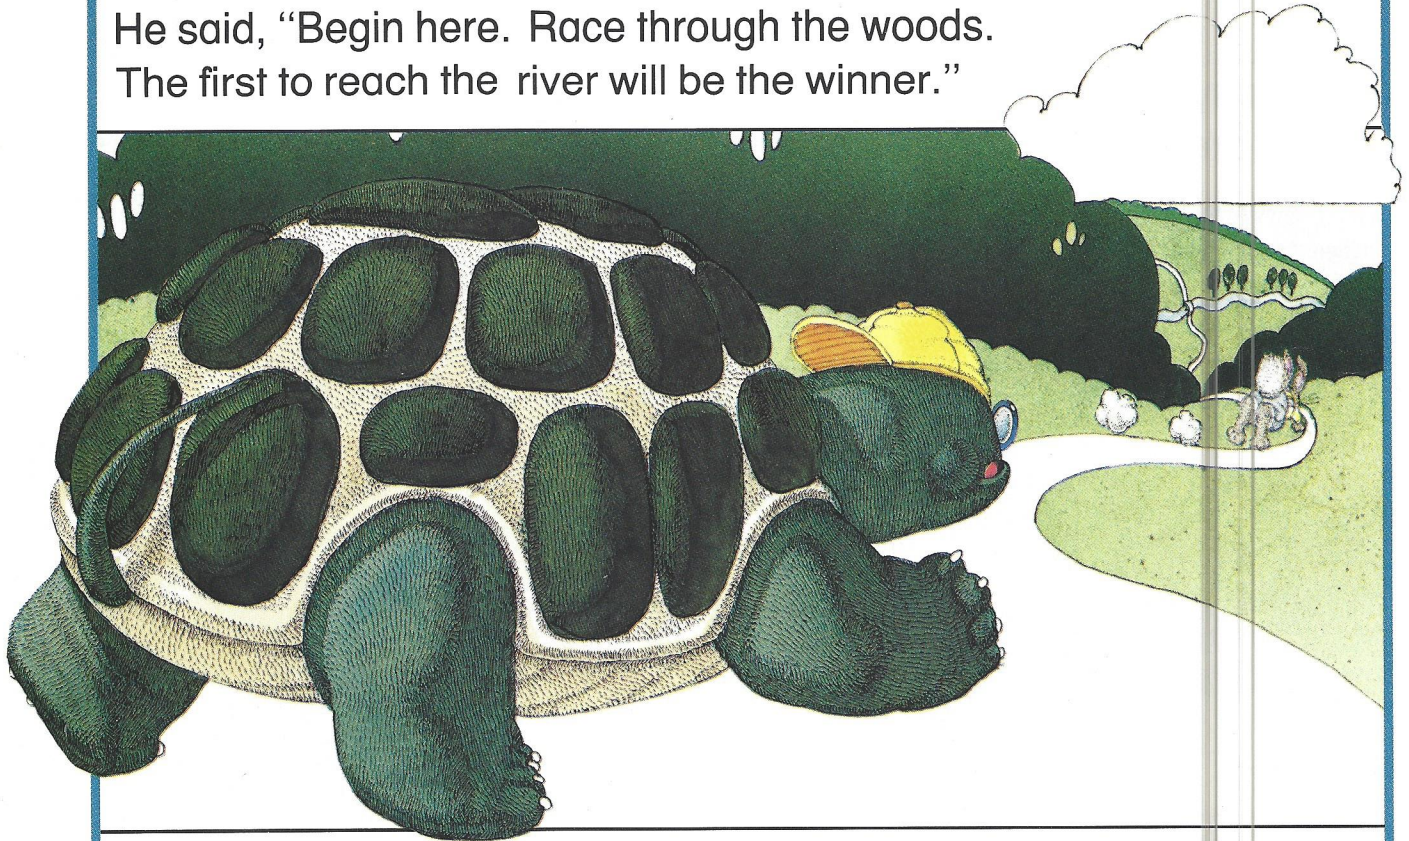

“I’m faster than you think,” answered the tortoise.  
“How about a race?”

The fox was the judge.  
He said, "Begin here. Race through the woods.  
The first to reach the river will be the winner."

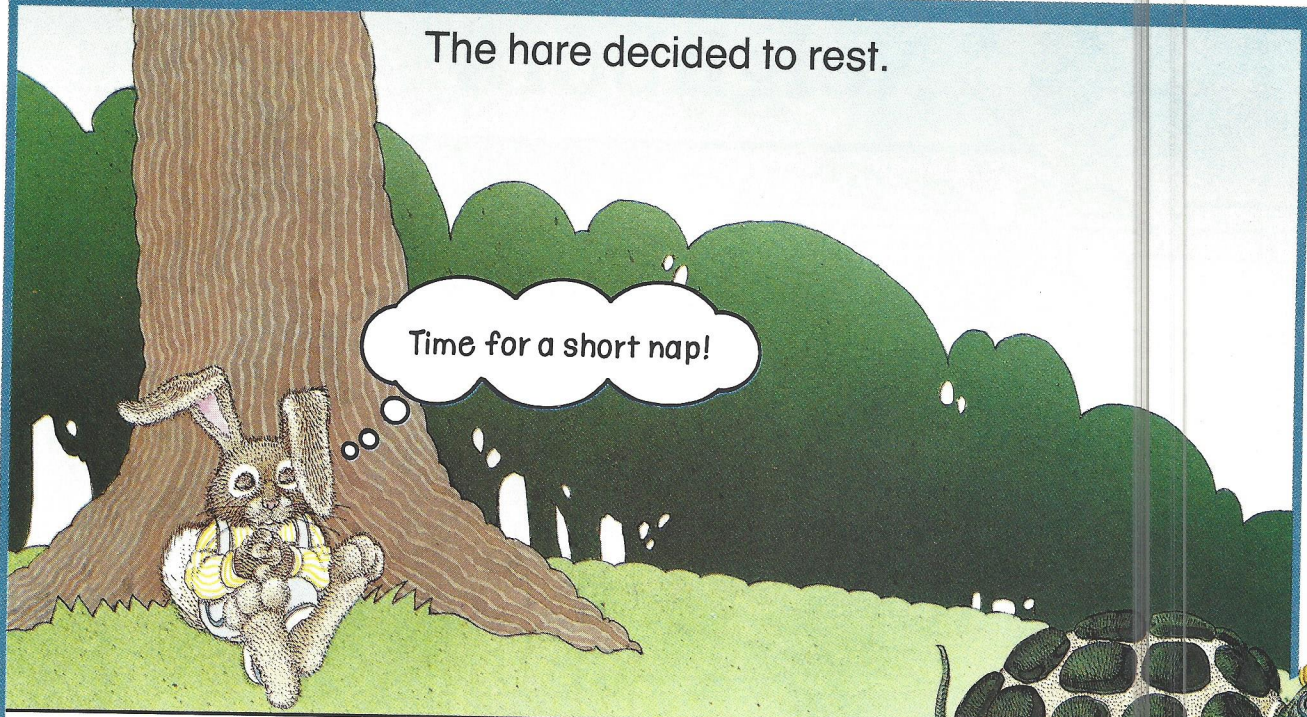

The tortoise started out slowly. The hare jumped ahead  
of the tortoise. He disappeared into the woods.

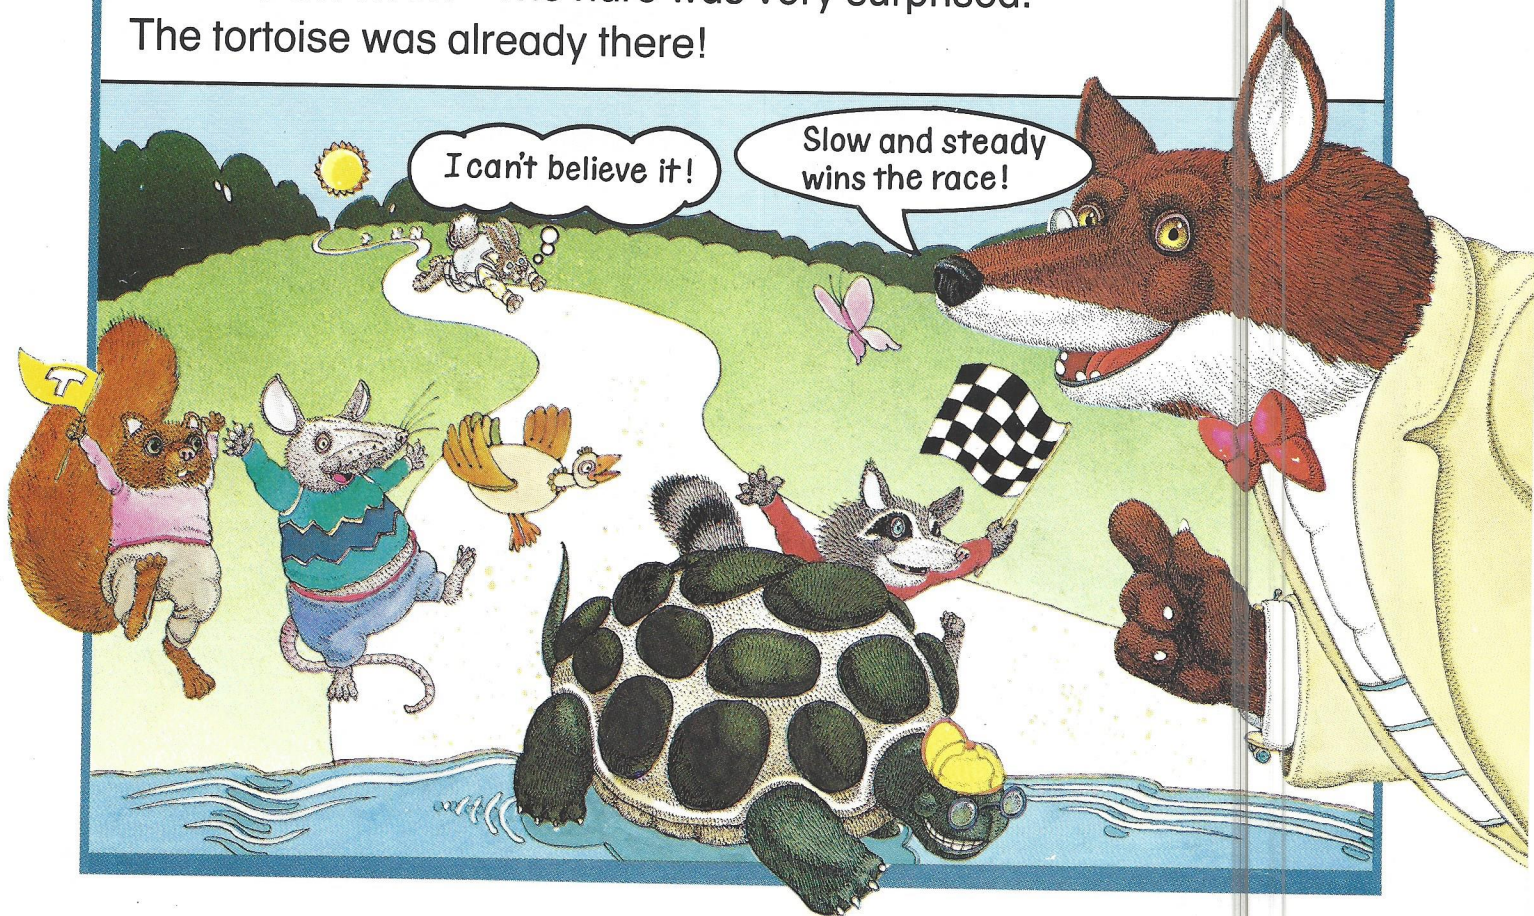

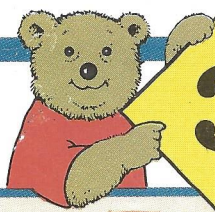

The hare decided to rest.

The tortoise slowly and quietly passed the hare. Some time later, the hare woke up. He dashed down to the river. The hare was very surprised. The tortoise was already there!
