born!

A dramatic painting of the Nativity scene. In the center, the infant Jesus lies in a manger, surrounded by the Virgin Mary and Joseph. The scene is illuminated by a bright, golden light from above, creating a strong contrast with the dark, shadowy surroundings. In the upper left, a group of angels is depicted in flight, some holding instruments. In the lower right, a crowd of people, including shepherds and animals, is gathered, looking towards the manger. The overall composition is dynamic and filled with emotional intensity.
